

# Replacement Sheet

RECEIVED

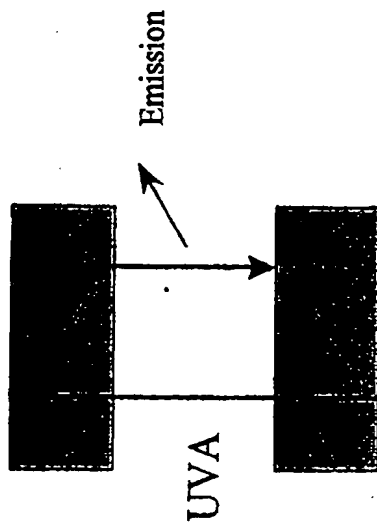

JUN 16 2004

TECH CENTER 2800

b.)

b) Multiphoton absorption

a.)

a) Single-photon absorption

Figure 1: PRIOR ART

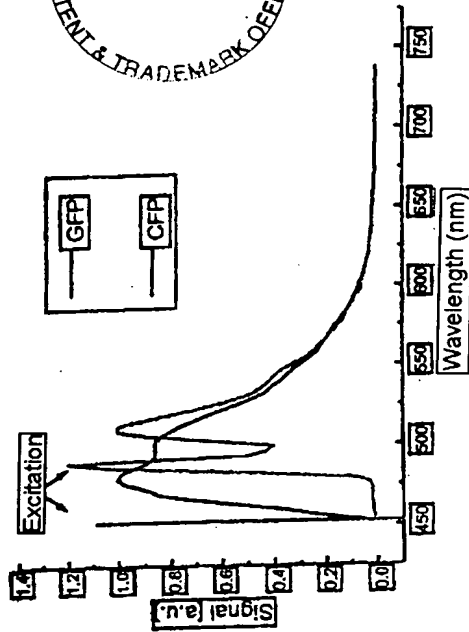

# Replacement Sheet

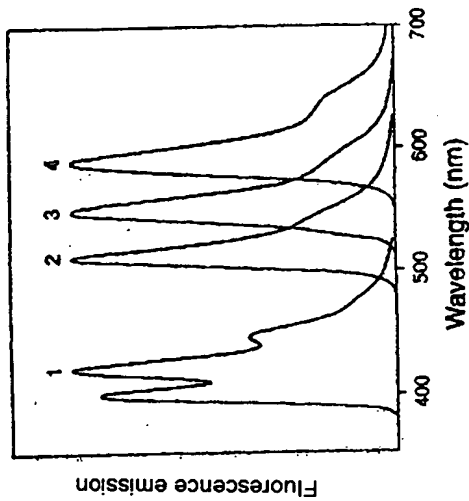

RECEIVED

JUN 16 2004

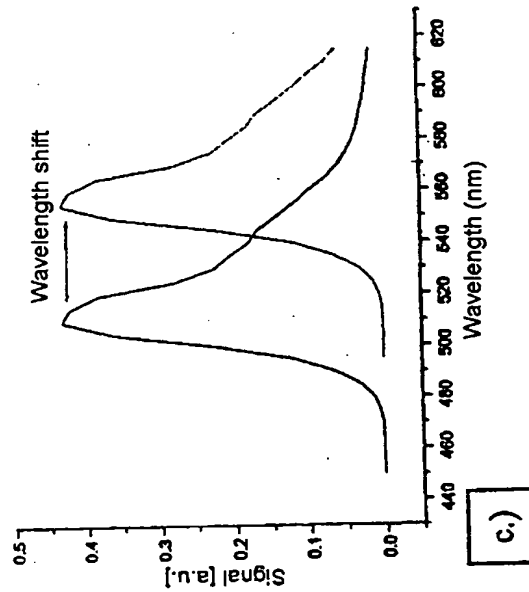

TECH CENTER 2800

b.)

a.)

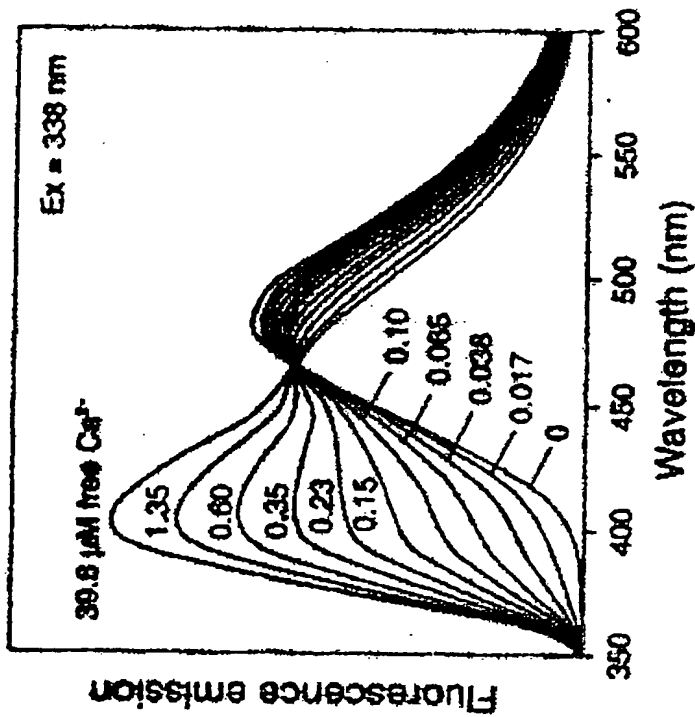

c.)

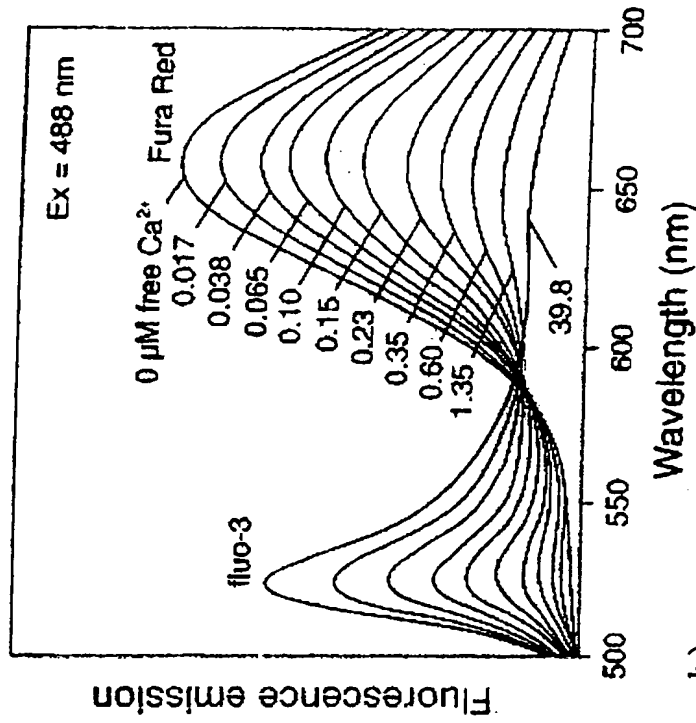

Typical spectra a) Dyes, b) fluorescent proteins  
c) wavelength shift as a function of environment, d) FRET

Figure: 3 PRIOR ART

# Replacement Sheet

a.)

b.)

Figure: 4 PRIOR ART

Typical spectra with ratiometric measurements

a) a dye with emission ratio; b) two dyes with ion-independent signals
